Greetings Jt. Security Committee

The next meeting of the Jt. Security Committee will be held on **Thursday July 28, 2016 at 9 a.m. here at the office.**

This will be a special meeting devoted to bringing you up to speed on a number of initiatives that are pending at the state, county and city level to address homelessness in our city. As you may have seen, yesterday, the legislature passed a resolution asking the governor to declare a state of emergency.

Because events are moving and changing with great speed, I thought we would try to gather information for you to bring you current. Also, staff is seeking guidance on whether there will be measures upon which each board would want to take an official position. Bringing the committee up to speed is key in helping the two boards make any decisions in this arena.

Please email Lorin if you will be able to attend this meeting
